

You're headed to Rock Creek Hollow!

There are 2 things to remember:

DO NOT DRIVE THROUGH ATLANTIC CITY
DO NOT USE YOUR GPS (if it directs you through Atlantic City)

Please use these instructions:

1. Follow highway 287/789 west for 30 miles towards Lander, WY.
2. At the intersection turn left on WY 28 and drive approximately 22 miles.
3. **CONTINUE PAST THE ATLANTIC CITY-SOUTH PASS HISTORIC SITE TURN-OFF. DO NOT TURN HERE.**
4. You will pass some rock walls in the mining area.
5. You will pass the Louis Lake turn-off about 20 miles down WY 28 - *You're getting close to the turn off*
6. **About 2 miles past the Louis Lake turnoff, you will see a brown sign -> that reads "Nat'l Historic Place, Rock Creek Hollow, Willie Handcart 1 Mile".**
7. **Turn left** on the gravel road designated by the *Natl Historic Place* sign and follow signs with directions to Rock Creek. The first Rock Creek sign is approximately 1.6 miles down the dirt road. There are subsequent signs at 2, 3.7 and 7 miles down the dirt road directing you to Rock Creek

To reduce the chance of flat tires, do not exceed 30 miles per hour on these roads.
Have a beautiful time at this sacred site.
